Dear Penguin Tyce,

I hope you had a fun-filled weekend and enjoyed some sunshine!

When I'm in my house, my favourite activity is spending time with my cats. I love cuddling with them and using my laser light to get them excited. I love to watch them run around and act crazy!

When I'm outside, my favourite activity is spending time with Stryker. I love to brush her, ride her and just hang out. She gives the best cuddles and slobbery kisses!

I love writing to you every week, Penguin Tyce! Thank you for reading all my letters!

Big Hugs,  
Ms. Draper
