Dear Penguin Tyce,

I'm so happy that you have enjoyed your time in Creston! Freddy, Billy, Sammy and I have thoroughly loved your company and are sad that you have to return home!

If I could return to Santa's Village with you at the end of the week, I would love to meet all of the elves, reindeer and Mr. and Mrs. Claus! Of course I would beg Rudolf to for a midnight ride around the village to see all of the beautiful sights!

While visiting everyone, I would love to watch the elves make all of the toys and maybe even invent and create a few toys of my own. I would also enjoy helping Mrs. Claus bake cookies and feed them to everyone! And of course, I would want to test taste all of them 😊

In the evenings, I would want to sit and chat with Santa while drinking hot chocolate and eating cookies. I would want him to tell me funny stories about all of the children in my class! I bet he knows everything about everyone and could tell me cute secrets about the kids!

Anyway, I will truly miss having you around the house, Penguin Tyce! I have enjoyed your company and have loved watching you become good friends with my kitty cats! Have a safe trip home and say hi to Santa and his family! Hope to see you again in December for our annual meeting!

Love forever,  
Ms. Draper & Kitties
