### JANITORS

Janitors help keep our school and many other buildings clean. Janitors use tools such as mops, buckets, cloths and cleaning supplies to do their job. Janitors clean floors, tables, windows and even empty the trash. Without janitors a lot of public places that we go to would be very dirty!

### Janitors

1. What do janitors do?

Janitors

2. What are some things that janitors clean?

Some things that janitors clean  
are
